Letter from the President

Welcome to the 29th Annual Airedale Field Nationals! After many months of planning, it's wonderful to be here, surrounded by old friends and ready to make new friends --- all because of our shared love for Airedales. Our HWA Facebook site has more than 775 "likes" from Airedale people all around the world, forming a global Airedale community. We're the lucky ones. While most will read about this event from afar, we're living it in the here and now. Let's make the most of it.

If you're here for the first time, just to see what its all about, relax and enjoy being surrounded by Airedales. Watch dogs, ask questions, feel at home. If you've brought along your own Airedale, but aren't sure what to do, you can enter the fun events, such as Friday's Barkathon and Sunday morning's Pocket Quail contest for some spur-of-the moment fun. If you're thinking of getting an Airedale puppy someday, ask about breeders. You don't have to be into hunting or guns to enjoy this Hunting Working Airedale weekend.

If you and your Airedale are getting started, we hope you've signed up for the Hunting Instinct Test and/or Brent LeMaster's workshop. These events will be held in sessions on Friday and Saturday so you can participate and still have some free time to watch the action in the Hunt Tests and enter fun events, like the Barkathon and Pocket Quail contest.

If you're entered in our HWA Hunt Tests, thank you! The HWA Fur, Upland and Retriever tests are designed to show off our breed's abilities and versatility. Your entry in these tests shows that you're ready to show us what your dog can do. This year we owe special thanks to the anonymous donor who ordered up commemorative long-sleeve T-shirts for every owner of a dog in a Hunt Test. Qualify or not, you deserve a lot of credit for being out there and participating.

And in the evenings, we hope you'll join in the General Membership meeting on Friday evening, 7 pm at the host hotel. You don't have to be a member to attend. In fact, this meeting is a good way to find out more about the club if you're a newcomer. And Saturday evening's Banquet and Auction is our time-tested way to enjoy good company, good food, and good shopping.

A big THANK YOU to all those who gave their time, talents, and money to HWA throughout the year. Please accept our appreciation and acknowledgement of your shared ownership of this club.

Chris Halvorson
HWA President
29th Annual Airedale Field Nationals

Welcome to the Airedale Field Nationals

The Airedale came to America shortly after its development in England in the last half of the 19th century. In the first part of the 20th century, Americans' appreciation of the Airedale's hunting heritage was summarized in 1916 by Warren H. Miller (longtime editor of *Field and Stream*) in his classic book *The American Hunting Dog*. "On the borderline between the bird dog and the fur dog stands the Airedale," Miller wrote, "...the dog that can hunt both ... and the one who can and is being successfully trained to hunt everything alive that can be hunted."

The Airedale enjoyed widespread popularity in America at the start of the 20th century. In addition to its hunting abilities, the breed's reputation built on its fame as a war dog in WWI and its exploits as a big game hunter in the American West. Over time, demographics and society changed, and Airedale popularity shifted to a much smaller fan base who maintained the breed mainly as companions and home protectors.

Over the past 25 years, there's been a movement among Airedale fanciers to restore attention to the breed's original purpose as a versatile hunting and working dog, and to prove that the Airedale still maintains the breed's original instincts and abilities. Airedale Terriers may now compete in AKC Spaniel Hunt Tests and UKC-based Hunting Retriever Club [HRC] Hunt Tests, as well as Airedale-only hunt tests. Your participation in these Airedale field events shows us your understanding that Airedale inclinations go way beyond the couch and backyard. Thank you for being here!

Schedule of Events

Thursday, September 11 - Hospitality and Welcome

6:00 Waterford Room at the Christopher Conference Center adjacent to our hotel. Complimentary light supper with cash bar available.

Thank you Kate and Joe Ostrowski for your generous and complete sponsoring of our Hospitality Evening.

Friday, September 12

8:00 Registration at Holly Hills Game Preserve

8:30 Briefing

9:00 Fur Tests (Master, Senior, Junior)

10:00 Brent LeMaster Workshop orientation - Including introduction and organization of sessions

11:45 BARKATHON (Following fur tests)

12:30 Lunch

1:30 Hunting Instinct Test (1st group of 5) - For puppies approximately 6-months and older, as well as adult dogs with no field training. This series of 10 exercises evaluates instinctual skills such as tracking, retrieving and swimming. Dogs are scored on aptitude and qualifiers receive a certificate.

3:00 Brent LeMaster Workshop - For beginners, AKC judge Brent LeMaster will evaluate your dog, get you started on training and work with you on a plan for your next steps. This is a perfect starting point for the "newbie" person or dog. Repeating participants will work on advanced skills.

7:00 Annual General Meeting at Headquarter Hotel. All are invited!

Judge's Biographies

Fur Judges

Lawrence Alexander

I have been breeding Airedales for 40 years and have been involved in all types of hunting with them -- upland, tracking, obedience, agility etc.; my favorite is upland. I have had some great dogs over the years. I have been involved with HWA for over 25 years and have judged in a number of categories. I look forward to seeing many of my old friends and meeting new ones, also seeing some great dogs. Once you have owned an Airedale you will always have a special place in your heart for them.

Chris Halvorson

My husband Tom and I discovered the Hunting/Working Airedale movement in the early 1990s. I got so excited about seeing Airedales work that I started snapping photos of them and haven't stopped since. For many years I was a pro photographer specializing in the conformation dogs and hunting Airedales. With the retirement of our photography business, we have time to train our own Airedale. We have owned Airedales since 1976, with several conformation champions, obedience titled dogs, and most fun of all, hunting titles. I now serve as president of HWA, Inc.

Upland Judges

Brent LeMaster

Brent is a professional gundog trainer from Amanda, Ohio. He and his wife, Rosalinda, carry on the legacy of Guadaira Kennels, which was started in 1971 by Rosalinda's father, John Issacs (See www.guadairakennels.com). Brent now breeds English Springer Spaniels, but he has owned and trained setters, pointers and cockers. Brent is also the first professional handler to make the first two Master Hunters Advanced in the country, with both a Clumber Spaniel and an European imported Springer Spaniel. In recent years, Brent has done well with his Airedale clients too! He is an AKC Field Trial judge who brings considerable expertise to our HWA test program and our workshop for pups and new dogs.

John Dudash

I live northeast of Gahanna, Ohio with my two English Springer Spaniels, Shiny and Rainy; my Brittany, Windy; and my wife. I have been an avid hunter and fisherman since my teens, in other words a long time. I got my first Springer, Shiny, about 5 years ago and started training with Brent LeMaster and the Ohio Valley English Springer Club about the same time. Shiny and I finished our senior title and master title within a year, having skipped the junior title. The jump from senior to master was not easy and we did not get a leg from the first master events, and it took two events to get that last leg. Shiny and I are now working on Master Advanced; we have two legs towards that title. I have started with my second Springer, Rainy, training for field trials and hope to enter her in puppy stakes this fall. Although I am relatively new I have learned what it takes to be successful, when to reward success, and when to encourage and praise effort. I am looking forward to seeing the dogs and handlers work and having fun.

(Absent due to family illness;
Chris Halvorson was the stand-in judge)

Retriever Judges

Leslie Phillips

I have always been interested in nature and the out-of-doors. Following my B.S., M.S. in Natural Resources from O.S.U., I spent 34 years with Columbus Metro Parks as a Naturalist, Ranger, and Assistant Park Manager.

In 1992 I got my first Flat-Coated Retriever and really started a hobby with dog competition such as obedience, agility, show, and hunt testing. I am now starting on my 6th Flat-Coated Retriever, and while I am not as active with the other venues, I still love the training, competition, and social interaction involved in hunt testing. Becoming an A.K.C. Hunt Test Judge helped so much in my dog training. I still hunt over my dogs as well.

Ed Zawodny

I started hunting with my father a long time ago when I was 10 years old. We had dogs nearly all of my life, but I only discovered hunting with retrievers about 20 years ago when a friend, with a well trained retriever, invited me to go duck hunting. That day got me hooked on retrievers. Competing and hunting with retrievers has since become a passion.

In 2001, my wife and I got our first Flat-Coated Retriever, and the rest is history. We currently have 2 Flat-Coats that I upland and waterfowl hunt with. But, we also compete in Conformation, Obedience and Field with these same dogs. Both dogs have titles in all three areas, all owner trained and handled.

I started judging retriever events about 10-years ago. I am currently:

AKC licensed hunt test judge for all levels (Junior, Senior and Master), UKC licensed hunt test judge for the Started level and soon to be at the Seasoned level and approved to judge breed field events (WC, WCI, WCX) for Flat-Coats, Goldens, Labs, Nova Scotia Duck Tollers.

Hunting Instinct Test Judges

Ed Weiss

In my non-dog life, I am a practicing cardiologist and senior member of a 15-man group. My dog life began with a Rat Terrier named Trixi who ignited my love of the terrier personality, which did not abate until I got my first Airedale in 2001, Ohuivo Brisco. Brisco led me on a merry chase through hunting and VPG (obedience, tracking and protection) training and trialing. He is a do it all dog of inestimable courage, tolerance and patience with me. Brisco has achieved VPG3 (a title reserved for the best of German Shepherds and Malinois). He earned the very difficult FH1 tracking title (1/2 mile in length, including over asphalt that is 2 hrs. old with two cross tracks and six right angle turns). Yes, Airedales have great noses and are capable of complex training! In HWA Brisco achieved a Master Retriever, Senior Upland, and Junior Fur. He is a lot better at fur than his junior title would indicate, to which a coyote barn raider would testify, though this would require a spiritualist. Now retired, Brisco is happy to be a pickup dog at the HWA nationals. I am now training and enjoying the company of a young Airedale that answers to the name Kasbah.

Before Airedales and after Trixi, I had a Boxer, Simba, and then a succession of Giant Schnauzers, which I trained and trialed to national level, co-founded the Working Schnauzer Federation in 1991, co-authored a book on dog training published by Denlinger (*Protection Dogs for You and Your Family*) and was a contributing editor to *Dog Sports* magazine. Since thirteen, I have been an avid upland and water fowl hunter. Presently, I belong to the Gateway Retriever Club, St Louis Regional Sporting Spaniel Club, and Spirit of St. Louis Working Dog Club. I am also a member of the ATCA and Board member of HWA, Inc.

After the passing of our family Airedale (my daughters Misty), I began searching the internet, I found the HWA. Networking brought me to Lawrence Alexander, Dale Burrier and Ed Weiss. They were very helpful.

We attended our first Nationals in 2010, 4-weeks after Misty passed, to be around Airedales...and hopefully find a breeder. I wanted a hunting dog. I knew nothing about hunting Airedales and less about hunt training. We were incredibly fortunate to obtain the last pup of Dale's litter at the Nationals; the best one.

In 2011, I entered Kira in the Hunting Instinct test. Kira had the highest score, 94%. Stew Tardiff told me that if I did not come back to the next Nationals having trained Kira he would kick my b***. With advice from Ed, Dale and Lawrence, books, Youtube and 5-months working with a local trainer we came back in 2012 and Kira passed both Junior Upland and Retrieving tests. Meanwhile, we hunted quail, chukar and pheasant in South Dakota, Missouri and Illinois.

The 11-months prior to the 2013 Nationals, Kira passed eight straight AKC events and received her JH and SH AKC titles.

At the 2013 Nationals, Kira passed both the Senior Upland and Retriever tests. I also had the great pleasure of assisting Stew Tardiff with the Hunting Instinct test.

We continued hunting quail, chukar and pheasant in South Dakota, Missouri and Illinois and this spring Kira passed her AKC Senior Fur test to achieve her SHV title.

I am currently serving as the HWA Treasurer, active on the Events Committee and will be helping to judge the Hunting Instinct test at the 2014 Nationals.

Incentive/Memorial Awards Trophies

Since 1995 perpetual awards have been given to encourage Airedales to train and participate in the Airedale Hunt Test Program.

The following awards have all been tendered by long time supporters of the Airedale Hunting Test Program and are to honor noteworthy dogs that attended the workshops and experimental hunting tests over the years.

Joan Shea Gordon Memorial Award

Sandhill Brown Bess Memorial Award

Priscilla Cree Memorial Award

Gunners' Choice Award

Incentive/Memorial Awards Trophies

Joan Shea Gordon Memorial Award

This special award is given to the Airedales that pass all three hunting tests (Upland, Retrieving, and Fur) at **one** Hunting Working Nationals. The three tests do not have to be entered at the same level, but each must be entered at a level never before passed. Completed AKC and/or HRC (UKC) titles will be considered the equivalent of an HWA attained level. Scores will not be taken into account.

The Road Dog Trophy

Special Regional Test Trophy

The “Top Road Dog” award is given to the dog, attending this year’s Nationals, who garners the most passes at multiple HWA/AKC/UKC Hunt Tests since the last Hunting Working Airedales Inc. Nationals. It was donated to encourage Airedale owners and handlers to attend more Regional events. The award must be won by a dog whose wins come from more than one Regional event, and not just by passing multiple tests at a single event.

The 2014 Hunting Working Airedale Limited Raffle

For this year's Limited Raffle, HWA is delighted to offer an entire family of soft-sculptured Airedales designed and hand-crafted by Joanne Vohs. Each was individually handmade and trimmed. They are approximately 19" tall, and the little red wagon is also included! This family consists of Mom, Dad (in camo clothes), the little girl, the little boy, and the Grandpa in the plaid shirt with a little gray in his beard.

Artist Joanne Vohs has been breeding, showing and representing Airedales in art for over 50 years under the kennel name of Jolee Aire and Joannesinc. Her terrier art has been enjoyed by fanciers all over the world and has been presented at juried shows, such as the art show at The Dog Show and the world-famous Hardy Gallery. Joanne is no longer doing any soft sculptures. However she is still actively doing her clay and bronze sculptures, which you can see at her website, www.joannesinc.com

Only 150 tickets will be sold at \$10 each. Any tickets remaining unsold by this weekend may be purchased from Corally Burmaster and her helpers up until the drawing at the Banquet on Saturday evening. Thank you for supporting our club through this raffle, and Good Luck! Won by Pam McKusick

Sponsorships and Gifts

Our heartfelt thanks and appreciation for the generosity of those who helped underwrite the cost of our Nationals through a sponsorship or special gift. Thanks to you, we were able to make our Hunt Tests and Workshop more affordable and make our entire weekend an extra special event for all our friends and supporters.
