Letter from the President

Welcome to the 28th Annual Airedale Field Nationals! We're so pleased you're here to join in the event, especially since so many volunteers are involved in making this weekend both worthwhile and fun – for you! To do that, we deliberately modeled this year's event on the successful Nationals that we recall from the "Buckeye Game Club years." To insure top-flight quality, we've brought in experienced judges from the sporting dog world for our Upland and Retriever tests and AKC-certified gunners; and, our workshop is in the capable hands of Brent LeMaster, a pro gundog trainer who comes highly recommended by his Airedale clients. To bring in more fun, we've reinstated the old favorite Barkathon and Pocket Quail competitions (if you don't know what those things are, you'll find out...). And our traditional Banquet and Auction gives us all a chance to socialize and get to know each other better. The friendships built over these Nationals weekends are a lasting bonus. If you're a newcomer to our group, jump right in with questions and dog talk. Being shy is NOT an Airedale attribute!

We hope everyone will join in our General Membership meeting on Friday evening at 7 pm at the Quality Inn, our headquarters hotel. You don't have to be a dues-paying member to attend, in fact, this meeting is a good place to find out more about the organization if you're a newcomer.

We're also trying some new things this year, such as our Hospitality evening on Thursday at the Old Canal Smoke House. Local lore says they have the best BBQ in southern Ohio, and your free dinner comes to you courtesy of the generous Hospitality sponsorship of Lawrence and Polly Alexander.

This is also the first year our Nationals will be held at Holly Hills Game Preserve. We think you'll find these grounds to be well-suited to our multiple tests and workshops, plus the hospitality of owner Dean Hatfield is outstanding.

This year we rolled back our test prices to make the event more affordable, and then we made up for the reduced income by asking folks to consider sponsoring a hunt test or other part of the event. A list of those who helped underwrite our cost with sponsorship is inside this catalog. Our appreciation to them all!

If we thanked all those who gave their time, talent and monies throughout the year to HWA, we'd need many more catalog pages. Instead, please accept our appreciation and acknowledgement of your shared ownership of this organization.

So here's wishing you all good luck and good times. Enjoy the people, the good food, the shopping, and most of all, enjoy the Airedales. That's what we're here for.

28th Annual Airedale Field Nationals

iii

Welcome to the Airedale Field Nationals

The Airedale came to America shortly after its development in England in the last half of the 19th century. In the first part of the 20th century, Americans' appreciation of the Airedale's hunting heritage was summarized in 1916 by Warren H. Miller (longtime editor of *Field and Stream*) in his classic book *The American Hunting Dog*. "On the borderline between the bird dog and the fur dog stands the Airedale," Miller wrote, "...the dog that can hunt both ... and the one who can and is being successfully trained to hunt everything alive that can be hunted."

The Airedale enjoyed widespread popularity in America at the start of the 20th century. In addition to its hunting abilities, the breed's reputation built on its fame as a war dog in WWI and its exploits as a big game hunter in the American West. Over time, demographics and society changed, and Airedale popularity shifted to a much smaller fan base who maintained the breed mainly as companions and home protectors.

Over the past 25 years, there's been a movement among Airedale fanciers to restore attention to the breed's original purpose as a versatile hunting and working dog, and to prove that the Airedale still maintains the breed's original instincts and abilities. Airedale Terriers may now compete in AKC Spaniel Hunt Tests and UKC-based Hunting Retriever Club [HRC] Hunt Tests, as well as Airedale-only hunt tests. Your participation in these Airedale field events shows us your understanding that Airedale inclinations go way beyond the couch and backyard. Thank you for being here!

Judge's Biographies

Fur Judges

Lawrence Alexander

I have been breeding Airedales for 39 years and have been involved in all types of hunting with them -- upland, tracking, obedience, agility etc.; my favorite is upland. I have had some great dogs over the years. I have been involved with HWA for over 25 years and have judged in a number of categories. I look forward to seeing many of my old friends and meeting new ones, also seeing some great dogs. Once you have owned an Airedale you will always have a special place in your heart for them.

Chris Halvorson

My husband Tom and I discovered the Hunting/Working Airedale movement in the early 1990s. I got so excited about seeing Airedales work that I started snapping photos of them and haven't stopped since. For many years I was a pro photographer specializing in the conformation dogs and hunting Airedales. With the retirement of our photography business, we have time to train our own Airedale. We have owned Airedales since 1976, with several conformation champions, obedience titled dogs, and most fun of all, hunting titles. I now serve as president of HWA, Inc.

Patricia Nemeth, Apprentice

I have been an avid outdoorsman and dog owner since childhood. I have owned terriers for 15 years, initially owning Wire Haired Fox Terriers. I have been the proud owner of an Airedale for the past 4 years. I am flattered to have been asked by Lawrence Alexander to be an apprentice judge in the fur test, and I am a co-chair of the 2013 HWA Nationals. Good luck to all participants!

Upland Judges

Brent LeMaster

Brent is a professional gundog trainer from Amanda, OH. He and his wife, Rosalinda, carry on the legacy of Guadaira Kennels, which was started in 1971 by Rosalinda's father, John Issacs. (See www.guadairakennels.com) Brent now breeds English Springer Spaniels, but he has owned and trained setters, pointers and cockers. Brent is also the first professional handler to make the first two Master Hunters Advanced in the country, with both a Clumber Spaniel and an European imported Springer Spaniel. In recent years, Brent has done well with his Airedale clients too! He is an AKC Field Trial judge who brings considerable expertise to our HWA test program and our workshop for pups and new dogs.

John Dudash

I live northeast of Gahanna, OH. with my two English Springer Spaniels, Shiny and Rainy; my Brittany, Windy; and my wife. I have been an avid hunter and fisherman since my teens, in other words a long time. I got my first Springer, Shiny, about 5 years ago and started training with Brent LeMaster and the Ohio Valley English Springer Club about the same time. Shiny and I finished our senior title and master title within a year, having skipped the junior title. The jump from senior to master was not easy and we did not get a leg from the first master events, and it took two events to get that last leg. Shiny and I are now working on Master Advanced; we have two legs towards that title. I have started with my second Springer, Rainy, training for field trials and hope to enter her in puppy stakes this fall. Although I am relatively new I have learned what it takes to be successful, when to reward success, and when to encourage and praise effort. I am looking forward to seeing the dogs and handlers work and having fun.

Retriever Judges

Joe Smithberger

Joe Smithberger and his wife Linda live near Mount Vernon, OH. We have owned Golden Retrievers since the mid-seventies and added Flat Coat Retrievers six years ago. We started competing in AKC obedience, earning various titles including Obedience Trial Champions. Once I was exposed to AKC hunt tests I was hooked. Our dogs have earned hunt test titles including the Master Hunter. One of my proudest accomplishments was when my Golden Retriever, One Ash Premium Brew "Brewski" MH CDX, RE, OA, OAJ, CGC, WCX, qualified and ran the Master National in 2011 and earned the coveted pewter plate as a finalist. As an AKC judge I have judged the Junior, Senior and Master levels of retriever hunt tests. I have also been privileged to judge the field specialties for Golden and Labrador Retrievers. I am excited and looking forward to meeting the Airedale owners and handlers and watching these fine dogs run their tests. Thank you for inviting me to the nationals.

Catherine Darr, DVM

After being a practicing veterinarian, breeding and showing conformation and obedience Cavalier King Charles Spaniels, and being a dog sport enthusiast for years, I have discovered the sport of retriever hunt tests. Currently I am training a Golden Retriever at the master level and am starting another 6-month old Golden. I enjoy watching the dogs work and am sure I will enjoy watching both dogs and exhibitors this weekend. Thank you very much for this opportunity. Good luck to all exhibitors.

Hunting Instinct Test Judges

Stew Tardif

Stew has been involved with Airedale Terriers since 1989, and became interested in schutzhund. Schutzhund is a sport of European origin where dogs compete in obedience, tracking and protection. When done correctly, schutzhund provides a window to view what the dog is mentally and physically. By observing drives, as well as how stress is handled, breeding decisions can be made based on performance. Stew has been breeding Airedales since 1998. His dogs are being used in Connecticut in search and rescue, in Colorado herding cattle, in Missouri hunting upland game birds and elsewhere. Past VP of Hundesport New England, multi-year track layer at DVG Nationals, only VPG3 Airedale team to qualify and compete at the DVG Nationals (Stew and Danny Von Thekla), high VPG3 Cherry Valley Schutzhund Club, May 1998 (Stew and Danny Von Thekla), Stew has titled Airedales and GSD's to VPG titles.

Ed Weiss

In my non-dog life, I am a practicing cardiologist and senior member of a 15-man group. My dog life began with a Rat Terrier named Trixi who ignited my love of the terrier personality, which did not abate until I got my first Airedale in 2001, Ohuivo Brisco. Brisco led me on a merry chase through hunting and VPG (obedience, tracking and protection) training and trialing. He is a do it all dog of inestimable courage, tolerance and patience with me. Brisco has achieved VPG3 (a title reserved for the best of German Shepherds and Malinois). He earned the very difficult FH1 tracking title (1/2 mile in length, including over asphalt that is 2 hrs. old with two cross tracks and six right angle turns). Yes, Airedales have great noses and are capable of complex training! In HWA Brisco achieved a Master Retriever, Senior Upland, and Junior Fur. He is a lot better at fur than his junior title would indicate, to which a coyote barn raider would testify, though this would require a spiritualist. Now retired Brisco is happy to be a pickup dog at the HWA nationals.

Before Airedales and after Trixi, I had a Boxer, Simba, and then a succession of Giant Schnauzers, which I trained and trialed to national level, co-founded the Working Schnauzer Federation in 1991, co-authored a book on dog training published by Denlinger (*Protection Dogs for You and Your Family*) and was a contributing editor to *Dog Sports* magazine. Since thirteen, I have been an avid upland and water fowl hunter. Presently, I belong to the Gateway Retriever Club, St Louis Regional Sporting Spaniel Club, and Spirit of St. Louis Working Dog Club. I am also a member of the ATCA and Board member of HWA, Inc.

The Road Dog Trophy

Special Regional Test Trophy

The “Top Road Dog” award is given to the dog, attending this year’s Nationals, who garners the most passes at multiple HWA/AKC/UKC Hunt Tests since the last Hunting Working Airedales Inc. Nationals. It was donated to encourage Airedale owners and handlers to attend more Regional events. The award must be won by a dog whose wins come from more than one Regional event, and not just by passing multiple tests at a single event.

The 2013 Hunting Working Airedale Limited Raffle

We are thrilled to offer **Timber**, a most impressive chainsaw-cut wooden Airedale as this year's Limited Raffle item. Timber was created for HWA by chainsaw artist Shari Staiduhar, whose work can be seen at <http://rockymountaincarving.com>. Timber is a larger-than-life Airedale, carved from one solid piece of wood, with a height of 38" and weight of more than 60 pounds.

Only 150 tickets will be sold at \$10 each. Any tickets remaining unsold this weekend may be purchased from Corally Burmaster and her helpers up until the drawing at the Banquet on Saturday evening. The winner must be present at the Nationals and able to transport Timber, or Timber may be picked up at Corally Burmaster's home in Virginia or at the Montgomery County Airedale Specialty in October. We regret that Timber is just too big to ship.

Timber's winner is Jeanne Esmond
